To Home Birth Association

My name is Sally Ireland, I enquired about home births at Sandringham health Centre who gave me your address. I've recently arrived in Auckland and am 6½ months pregnant. The baby is due at the end of March so I'd like to sort everything out soon. I very much would like a natural birth at home and would like some information about your procedures. We aren't on the phone but would like to come and see you. Please write and let me know what the next steps are. Thank you very much - I look forward to hearing from you soon.

Yours sincerely

S Ireland.
