Dear Sir or Madam,

A small note to let you know I'm from the Thames/Valley district, (Kuaotunu) and thoroughly enjoyed the Homebirth Convention on the 9<sup>th</sup> & 10<sup>th</sup> May 87.

I'm sure that the Thames/Valley area will be hard looked at, as far as the possibility of having a non-disturbed midwife in the area.

I have enclosed \$2.00 for the recycling labels.

By the way I had my second child a boy '216 3ozs born at home in Whitianga that is why I wish for future mothers here to have a opportunity to experience a graceful harmonious birth.

Thank-you

Mrs Dorothy Kee.
