Dear Richollette,

Many thanks for your letter and posters. I have lent your information to some other women interested in Home Births. Hence I don't have the correct Membership Form.

Please find enclosed \$10 Membership Subscription.

I am a Midwife attending occasional deliveries (2/yr suits us as a family) and I feel these deliveries will generate sufficient deliveries in the future. So please don't refer anyone to me.

I feel I have a lot to learn concerning Naturopathy etc before I become more involved and feel my role is mainly supportive at present.

sincerely Yvonne Kavanagh
