Dear friends,

You may have already seen
this info - it came to Maternity
Action via Shippy Millar who is
in touch with Sheila Kitzinger.
Could you distribute it to other
H.B. groups. I hoped the group
here could do it but they seem
to be almost non-existent at present
3 or 4 members & I think not very in
touch with other centres. I hope
funds can be raised to send a
representative to London - I'm sure
M.A.A. will be happy to contribute
something. Regards
Alison Lake
