To HomeBirth Assoc,

I am very  
seriously thinking of having  
myself a Homebirth. I am  
going to a Homebirth  
Dodge but don't have  
much reading on it.

I have read quite a bit  
but am also interested in  
more reading. Would you  
please be able to send  
some more info on it. I  
am willing to pay postage.
