Dear Colleagues,

Enclosed is a complimentary copy of the debut issue of MIDWIFERY TODAY.

We hope you will enjoy it and share it with your associates and those in your birthing community. Should you publish a newsletter or periodical, we would greatly appreciate your reviewing MT in your publication, and would like to receive a tear sheet or copy of any thoughts you might publish. If time allows, we would love to hear your feedback, ideas, suggestions, or feelings you wish to share.

Toward better birthing,

*Jan Tritten*
