Dear Jean and Sandra

I write on behalf of the MSR committee with a proposal re a change in structure for the way in which the Standards Review account finances are managed and payment of myself as the Co-ordinator.

The committee proposes that:

- a) all the financial transaction be passed through the MSR account for an accurate record of costs as from now.
- b) that the set fee to Rae be paid as a set payment fee exclusive of any costs and that this be set at \$90.00 per midwife. (Previously it was \$100.00 per midwife including costs which were approximately 135%)
- c) that the Review fee be increased to \$250.00 (plus GST) for midwives with a caseload of 11 or more. Midwives with 10 or less clients will pay the existing fee of \$200.00 plus GST. A separate charge for Post-natal only reviews and Paper reviews exists.
- d) that in recognition of the amount of time, energy and commitment Rae has demonstrated to maintaining and improving the Midwifery Standards Review process for the Wellington Region that she be paid a bonus of up to \$500.00.

On behalf of the committee and hoping the financial report and this proposal meets with your approval.

Yours sincerely
